ADMINISTRATION

The Yonahian 1956 is your Book of Memory of what should be one of the most memorable years of your life. As you turn its pages in long years to come, they will bring back to you, bright and shining, the scenes and faces that have made your days at Piedmont unforgettable.

The covers of this book inclose for you leaves scented with such fragrance as drifted from a rose-jar to cheer Thomas S. Jones, Jr.:

As in a rose-jar filled with petals sweet
Blown long ago in some old garden place,
Mayhap, where you and I, a little space
Drank deep of love and knew that love was fleet --
Or leaves once gathered from a lost retreat
By one who never will again retrace
Her silent footsteps -- one whose gentle face
Was fairer than the roses at her feet;

So deep within the vase of memory
I keep my dust of roses fresh and dear
As in the days before I knew the smart
Of time and death. Nor aught can take from me
The haunting fragrance that still lingers here --
As in a rose-jar, so within the heart!

May you in days to come often breathe deep from this Yonahian vase of memory and find its fragrance richer with each mellowing year!

PIEDMONT has four societies on its campus -- two for women and two for men. These societies, being formed shortly after the foundation of the college, have had a great part in its growth and development. They have sponsored dances, parties, and many other worthwhile entertainments. Candidates for these societies are obtained by an invitation to membership, which is given to the new students. Upon his acceptance, the candidate is installed into one of the societies. The installations are events to which the old members look forward. Most PIEDMONT students are affiliated with one of these societies.
